Introduction

This document contains notes about the ITarian Platform release for 20 July 2022.

The release schedule will be as follows:

- Platform
  - US Region - Release will start on Thursday 21st July 2022 at 1AM EDT
  - EU Region - Release will start on Friday 22nd July 2022 at 6AM BST
- Agents
  - All Regions - Release will start on Monday 25th July 2022 at 1AM EDT/6 AM BST

The release is expected to take 30 minutes to deploy, during that time the platform will be under maintenance mode, where you may observe minor glitches. If you observe any issues, please feel free to share with us.
